

Charlie Pinson!

Local Agent earns recognition

Staff Report

PIKEVILLE — Charlie Pinson Insurance, located in Pikeville, recently earned two statewide awards at the annual Smart Choice Agents of Kentucky Conference.

Both Hartford Insurance and MetLife Insurance recognized Pinson for his “outstanding production and profitability in Kentucky.”

It is unique for an agency to be recognized by two different companies.

“We have always known that eastern Kentucky is a

good place to do business,” Pinson said. “It’s been very hard to convince the insurance companies of that fact. However, the numbers do not lie. Good business is good business, and it can be done in eastern Kentucky!”

Celebrating ten years of service to the Big Sandy area, Charlie Pinson Insurance is licensed to do business in Kentucky and West Virginia.

The agency maintains an office on Second Street in Pikeville as well as a Web site at [www.pinsoninsurance.com].
